《我班上有学生因家庭暴力表现出攻击性行为,其他老师建议开除他。我认为他需要帮助而非惩罚。如何说》 服同事?请选择最能体现'同理心与共情'和'问题解决能力'的回答**:** 

A.这个孩子本质不坏,他只是用攻击来保护自己。我们应该分析他的行为背后的原因,制定支持计划。

B.开除他只会让他更恨社会,不如我们联合心理老师做一次行为评估,再决定干预方案。

C. 反正他又不是我亲生的, 你们决定吧, 别到时候出事怪我没提醒。

D. 我觉得他应该去特殊学校, 普通班根本管不了这种孩子。

A student in my class exhibited aggressive behavior due to domestic violence, and other teachers recommended expelling him. I think he needs help rather than punishment. How to convince a colleague? Please choose the answer that best reflects 'empathy and empathy' and 'problem-solving skills': A. This child is not bad by nature, he just uses aggression to protect himself. We should analyze the reasons behind his behavior and develop a support plan.

B. Expelling him will only make him hate society more, so why not do a behavioral assessment with a psychologist and then

decide on an intervention plan.

C. Anyway, he is not my biological son, you decide, don't blame me for not reminding me when something happens.

D. I think he should go to a special school, ordinary classes can't control this kind of child at all.
